Food For ALL Seasons

with Woodlands Community Garden

COME TO OUR LAUNCH LUNCH Sunday 29th July 1-3pm

Bring food to share for a communal lunch, have a guided tour of the garden and find out how you can get involved.

Join us at one of our Community Gardening Sessions

Tuesdays 4-8pm
Wednesdays 4-8pm
Sundays 12-4pm

Tuesday Tutorials, every Tuesday evening from 6.30 - 7.30pm

Tuesday 31st July Harvesting knowing when crops are ready to harvest, storing your food and collecting seeds

Tuesday 7th August Sowing tips on what can still be planted now & how best to water and look after your seedlings

Tuesday 14th August Soil improving, fertilising, composting, leaf mould and herbal brews

Tuesday 21st August Weeds and Beneficial plants managing weeds plus plants to encourage wildlife

Tuesday 28th August Pests and Diseases identifying problems with plant health & protecting against pests

Wednesday Workshops, the first Wednesday of the month

Weds 1st August 6-8pm with **BEES IN THE GARDEN** Bumblebees are the sound of the summer, but numbers have been greatly declining. Find out how the way you garden can help bumblebees with Anthony McLuskey from the Bumblee Conservation Trust.

Plus coming soon

More workshops and tutorials during September and October, Harvest celebrations over the weekend of 8-9 September, art happenings in the Garden with our artist in residence and the return of our popular vegetarian cookery classes.
